

FOURTEEN DAYS - 11

Project Halcyon Gin - Roots Mastic - Blackberry - Tarragon

A long refreshing, herbaceous and tart cocktail with greek influence.

'Fourteen days' refers to the Halcyon Days, a period of two weeks in which the God Aeolus calmed the storms during the winter solstice.

.

BENNU - 11

Tapatio Blanco Tequila - Giffard Abricot Du Roussillon - Za'atar - Citrus

The Egyptian deity Bennu was represented in hieroglyphics as a Stork wearing the Atef crown.

We use a traditional Egyptian spice mix to create a short, complex and slightly savoury take on the eponymous margarita.

PHOENIX DOWN - 12

Buffalo Trace Bourbon - Carpano Bitter - Plum
Monk Fruit - Walnut - Oak Smoke

A symbol of rebirth and eternal life.

We feel a personal connection with the Phoenix at Project Halcyon.

This drink takes the most steps of preparation to deliver, a smoky combination of buttery, nutty bourbon with bitter back notes.

ROSADO - 11

Barsol Pisco - Aperol - Passion Fruit - Peruvian Groundcherry - Citrus

One of the rarest genus of Flamingo, Phoenicoparrus Andinus are found exclusively at the southern tip of Peru.

Using their most famous spirit export and native ingredients.
Rosado is short, sweet and most importantly, pink.

TSURU -12

Avallen Calvados - Akashi Tai Sparkling Sake - Lychee - Soda

The Red Crowned Crane is one of the rarest birds and is native to Japan; with their iconic plumage they have been the subject of countless works of art.

A symbol of luck and longevity, this drink is light refreshing and elegant.

.

FLIGHTLESS - 12

Chairman's Reserve White Rum
New Zealand Riesling - Pandan - Kiwi - Manuka

One of the smallest flightless birds on the planet, the Kiwi first became a national symbol of its endemic home in the 1800's. A deep, citrusy take on some ingredients most precious to New Zealand and its Mauri heritage.

ACT OF VANITY - 15

Midori - Blueberry - Veuve Clicquot Brut Yellow Label

Perhaps the most iconic plumage of any bird on the planet, the Peafowl's "train" of iridescent feathers have been the subject of much scientific research.

A symbol of decadence and showmanship, only champagne will do to pay homage.

STORMS AND LIGHTNING - 12

Hennessy V.S Cognac - Åhus Akvavit - Soured Grenadine
Punt e Mes - Hedgerow

The European robin is known to warn of encroaching storms, commonly found nesting in English hedgerows.

This drink brings all the electricity of a classic British storm, combined with herbaceous notes throughout.

HARBINGER - 12

Whistlepig Piggyback 6 Year Rye - Mouse Kingdom Quadsec - Chestnut - Black Garlic

Known as messengers of good news or words from loved ones, Hummingbirds are one of the few birds that have exclusively good omens connected to them.

This drink is a powerful libation, the kind you drink after the arrival of good news.

THE WAKE - 12

Illegal Joven Mezcal - Prickly Pear - Rooibos Tea - Electric Bitters

A group of carrion-feeders mid-meal is known as a 'wake' of vultures.

This macabre concoction features traditional ingredients found throughout the plains of Africa, the home of these enormous birds.

MURDER OF CROWS - 11

Chairman's Reserve Original Rum - Cane Toad SMBS

Ming River Baijui - Mandarin - Citrus

The three-legged crow is a famed character in many stories of Chinese mythos. A representation of the sun, its feathers are ironically jet black.

A moody and dark mix of spirits and spice - short, sharp and funky.

OLIVE BRANCH - 12

Belvedere Vodka - Cocchi Dry - Spruce - Fennel - Olive

A symbol of peace in Ancient Greece and Rome, 'extending an olive branch' has biblical roots with a dove signalling the end of a flood by returning with an olive branch.

This drink represents our take on the iconic dirty martini - filthy, infact.

TREECREEPER - 11

Spearhead Single Grain Scotch - Pedro Ximenez Sherry
Adobo - Curry Leaf - Maplewood

The pygmy woodpecker, native to the Philippines, is iconic for its rhythmic knocking in search of tree sap.

By name and nature the woodpecker has a symbiotic relationship with wood, as does our homage to its Filipino home.

HOUSE CLASSICS - 13

All of our house classics are served tableside.
Should you desire an unlisted classic cocktail,
even those lost to the annals of time, our team will
endeavour to produce it for you.

We also have a selection of barrel-aged statements currently
macerating in our still room, they will be available for you
to indulge in very soon.
